

Title: Independence Day
Date: 15/08/2020
Venue: DAMITS
No. of Participants: 30
Organised By: DAMITS

Objective:

- To commemorate the efforts of the freedom fighters.
- To induce patriotism and teach students the exact meaning of freedom.

Highlights:

- Independence Day is significant as it commemorates the valour and spirit of the freedom fighters who fought for the independence of the nation from British rule.
- The most important thing about this day is that we pay homage to the legends who sacrificed their life for our nation.
- We observed this day in the institute by hoisting the National flag at 8:00 am in the campus.
- This was followed by speech given by Ln. Er. Dr. Jatindra Nayak, Director , DAMITS.
- Our Principal, Dr. Bhabani Shankar Dash also added some of his view points about this day and encouraged the staff members to live in peace and harmony.
- The programme ended with Slogans which were cheered by all the staff members who were present.
- Social distancing and pandemic protocols were followed by the institute during this time as well.

Title: Plantation

Date: 22/10/2020

Venue: ONLINE

No. of Participants: Students- 24

Program Co-ordinator- Prof. Smrutijhara Mohanty

Organised By: IQAC

Objective:

- Today, their value continues to increase and more benefits of trees are being discovered as their role expands to satisfy the needs created our modern lifestyle.
- Trees contribute to their environment by providing oxygen, improving air quality, climate ameliorations, conserving water, preserving soil and supporting wildlife.

Highlights:

- People have been trying a lot of things to cope with the difficult times in the face of the COVID-19 Pandemic.
- The students of DAMITS participated in this plantation programme.
- Interested students have done plantation in their neighboring areas and their houses also and send their videos and photographs to us.
- As a result of this activity participants would be develop a better sense of the contribution of trees for oxygen, improving air quality etc.
- Students understand that how plantation helps to save society In an endangered situations like COVID-19.
- It was ensured that the covid preservation measures should be followed due to which participants send their plantation videos and photographs instead of coming to the college.
